

REVI personal storage systems

Now available from Indoff Commercial Interiors

REVI | personal storage

We're revolutionizing personal storage with the Revi, our fully customizable line of pedestals. Offering color, style and unparalleled versatility, Revi can be personalized to fit any user need. Five face designs, expandable bag drops and magnetic seat cushions allow for 168 possible color combinations that instantly transform Revi into dynamic and vibrant guest seating. Integrated pencil tray organizes and gives quick access to frequently used supplies, while push-to-release drawers simplify use and specification.

metals / main housing / expandable bag drops / swing door

Verve fabrics seat cushion

- 5 customizable drawer / front options suitable for both touchdown and permanent workstations.
- Push-to-open drawers offer a clean, contemporary aesthetic and simple specification.
